

Fishing

Kari Rueslåtten

Fishing, fishing now
Down by the bay
Fishing with the girls
It's so lively out there
Shall I cast the line?
Cast it in, cast it in, all the girls are saying
But I've got my eyes set on just one

And it's you
Oh it's you

It's you who I'm standing in front of with nothing to hide
Take me in
Take me inside of your dreams and your thoughts and your mind
This time I'm leaving the girls
Look, I'm wearing your pearls
I have decided to stay here forever
Once I was restless but now I'm where I'd like to be
