

Air Of The Night

Karina

I'm laying here under the covers,
One minute I'm hot next thing I'm cold.
Feels like I'm going through a drawl from the love I used to know.

[Bridge:]

I don't wanna eat or sleep (no no)
I don't wanna see a thing (oh no)
I don't wanna answer the phone because it's not you, I know it's not you.

[Chorus:]

Life without you here with me, never had no meaning
It's like a heart without a beat (we are suppose to be)
Your the reason why my tears wont dry
The only distance between you and I is (the air of the night) x5

There's only one way for me to recover,
Staying here won't bring me back to you
So whether it's a plane or car whatever it takes to
Mend my heart, If I wait another night I wont make it through

[Bridge:]

I don't wanna eat or sleep (no no)
I don't wanna see a thing (oh no)
I don't wanna answer the phone, because it's not you

[Chorus:]

Life without you here with me, never had no meaning
It's like a heart without a beat (we are suppose to be)
Your the reason why my tears wont dry
The only thing that's between you and I is (the air of the night) x5

Man oh man oh man I need his love air is the only thing
Between us (between us)
I know I sound dramatic, something like an addict
Got this urgency to bring you back to me

[Bridge:]

I don't wanna eat or sleep (no no)
I don't wanna see a thing (oh no)
I don't wanna answer the phone, because it's not you

[Chorus:]

Life without you here with me, never had no meaning
It's like a heart without a beat (we are suppose to be)
Your the reason why my tears wont dry
The only thing that's between you and I is (the air of the night) x5
