

Last To Know

Karina

Verse 1

Now lately you been acting different
You got my heart out on a mission
Can you tell me wassup
Feels like your giving up
Maybe I'm overreacting and nothings wrong
But I'm getting the feeling your slowly moving on
While your sending me the voicemail and you see me call
Boy it's been awhile, really miss your smile
And I'm hoping baby you could help me out

Bridge

And I know you remember how you use to call me every night
But now I hold my pillow tight
Cause the one I love don't seem to feel the same
So baby just in case

Chorus

Don't let me be the last to know
If your gone, then I'll go
Don't even make it difficult
Cause I wont if that's what you want
Then go but please let me know
If you don't want this nomore
Don't play with my heart
(I'll be okay alone)

But boy don't let me be the last to know

Verse 2

And I don't want you to think I'm trippin
But I just can't be looking stupid
I hope you understand
My heart is in your hand
I'm trusting you know what to do with this
And I really don't think you'll go and do me wrong
But sometimes you never know what's going on
Don't wanna take a chance
Catching you holding hands
I know I would be so devastated

Bridge

And I know you remember how you use to call me every night
But now I hold my pillow tight
Cause the one I love don't seem to feel the same
So baby just in case

Chorus

Don't let me be the last to know
If your gone, then I'll go (I'll go)
Don't even make it difficult(difficult)
Cause I wont if that's what you want
Then go but please let me know(but please, let me know)
If you don't want this nomore (if you don't want this nomore)
Don't play with my heart
(I'll be okay alone)

But boy don't let me be the last to know

Bridge

Can you tell me honestly
Right now I'm finding it so hard to breathe, eat, think, sleep
I don't wanna go another day not knowing what I need
Talk to me
Don't let me find out the hard way

If you care at all about me
Boy if your ready to leave
Just let me know I don't deserve to be
Chorus
Don't let me be the last to know (yeah yeah)
If your gone, then I'll go
Don't even make it difficult
Cause I wont if that's what you want (if that's what you want)
Then go but please let me know (let me know)
If you don't want this nomore (if you don't want this nomore)
Don't play with my heart
(I'll be okay alone)
But boy don't let me be the last to know (the last to know)

Woah woah woah woah woah

Woah woah woah woah woah
(the last to know)

Woah woah woah woah woah

Woah woah woah woah woah
