

# The Love We Got

Karina

My heart, he takes  
He'll always be my baby  
We may bend, won't break  
But we got no one else to take

He's the sun when my day is low  
I'm his picture in front, front row  
His love is the center of my attention, oh, oh

See, I don't know what he'd do for me  
That guy is my everything  
We argue, we fight  
Then we make up by the end of the night  
Don't even speak it, speak it  
We know what we got

And I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

He's embedded in my space  
Every time he speaks he blows me away  
Don't care what people say  
As long as he's in the same place where I lay

See, I'll be his echo  
I'm his princess, he's my general  
And no matter what you think about love  
Time won't outlast us

See, I don't know what he do for me  
And I'm tellin' you he's my everything  
We argue, we fight  
Then we make up by the end of the night  
Y'all don't know what we got in our love

And I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

The miles I'd walk for him are infinite  
I'll run circles around the world, hey  
And everyday I'm beside him, feels heaven sent  
And all else is irrelevant  
So keep on exuding your love on to me

I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stay down for the love that we got, that we got

I love him, he loves me  
And this is how love should be  
I'm down for the love that he got, that he got  
And he stays down for the love that we got, that we got
