

Stay with Me Baby

Karise Eden

Where did you go when things went wrong , baby,
Who did you run to, to find a shoulder to lay your head upon,
Oh, wasn't I there, didn't I take good care of you,
oh no, I can't believe you're leaving me babe...

Stay with me babe, baby (baby please stay)
Stay with me baby
Please stay with me babe
I can't go on

Where did you go, in search of tenderness (tenderness)?
Didn't I gave you everything, in return for a memory,
Oh wasn't I there, maybe I, maybe I was too good to you
oh no, i can't believe you're leaving me...

Stay with me babe, baby (baby please stay)
Stay with me baby
Please stay with me babe

Oh remember, you said you'd never leave me,
Oh remember, you said you'd always need me,
Remember, remember I'm begging you, begging you, begging you...

Oh, stay with me babe
Please stay with me baby,
Oh please stay with me babe,
I just can't on

No stay, stay, oh stay, stay don't go, stay with me babe,
you know I can't go on
No (stay with me)
No (stay with me)
Stay (stay with me)
Please stay (stay with me)
