

Taking It All

Karise Eden

Leave it to me i know better
Don't tell it to me I can't hear
I know exactly what I want

Know exactly what I need
Don't tread on me now
You've got me all wrong
Step back, give me room to breath now

I'm taking it all
I'll not wait round for my years to go by
Leave it to me
You won't stand a chance
If I choose to know
I'm taking it all, I'm taking it all
I gotta do these things my own way
Cause I only got so much time
I'm taking it all

I know what you mean
Just leave me to it
I see where you been
But that's not where I'm going
Everything you think I want
Everything you think I need
I'ts missing in you
I know that you can stand back
Just let me be now
