

# Africa

Karl Wolf

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had

Run the track, Them want to try and hold we back,  
Me say wolf and culture are going to the top  
Ride the track, The rhythm is so sweet and the dancehall is hot,  
Crowd a people never want me to stop  
Run the track, We run the show, me say we run the shop, we are the don's #1,  
Me say we run that We are the kings in the place, me say we ride on a shock,  
Push your hands in the air we are going to burn down the spot!

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had

And as I'm walking through the subway  
All I feel is everybody's piercing eyes (piercing eyes)  
I'm following the footsteps all I can imagine is that I'm a guy  
You never know maybe she's afraid  
And everything around her is so damn fake  
I feel like that we've met before  
Hurry boy she's waiting

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I blessed the rains down in Africa  
We're take some time to do the thing we never had

The sun is rising on east side and every former life is waking us  
The feeling of sacloga makes you wanna dream away of fall in love  
She drags you in not afraid  
Everything is heels like bait  
What wrong with you don't let her go  
Hurry boy it's waiting

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I blessed the rains down in Africa  
We're take some time to do the thing we never had

Doobara, doobara, doobra, doobara, doobara,  
Doobara, doobara, doobaba, boorr, boobaba,  
Dodo, dood, adooro, orooda, dooroo, dobara  
Doobara doobara doobara baabaabaa

Hurry boy it's waiting there for you

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I blessed the rains down in Africa  
I blessed the rains down in Africa  
I blessed the rains down in Africa  
I blessed the rains down in Africa  
We're take some time to do the thing we never had

So sing with me  
Now sing with me  
This is Africa  
This is Africa
