Karl Wolf

Girl you're so bootyful  
Girl you're so bootyful  
Cause I can't control my eyes lately

Tonight the girls are fine, club is jumpin  
She brushed up on my friend, I was watchin  
I bust a little smile, girls adore me  
"Hey not so fast!"  
The had gotta dressed to relieve you  
Cause everything that she had on was see thru  
Watcha gonna do we she holler right back at ya ass!

I would like to be the one to tell ya

Girl you're so bootyful  
Why can't you hear my duty callin me  
Cause I can't control my eyes  
Lately  
Girl you're so bootyful  
Why can't you hear my duty callin me  
Cause I can't control my eyes  
Lately

Now, we're on the floor  
She put it into gear  
Red dress lady at the wheel  
I feel the beat pickin up speed  
It's gettin hot in here

My boyz are like "what a tail!"  
Tap that, then attack and bail!  
Wam Bam thank you womam!  
What's your name miss, can I know?  
I would like to be the one to tell ya

I could see you lookin at me  
You're friend's s little closer but you're starin at me  
Yeah, I keep my cool that's the way to be  
Chillin with my girlz, what you see is what you see  
In da club, I want you under cover  
I heard them all "curvaceous" "bootylicous" "got the JLo thing  
Happening..."
