

Finally Free

Karl Wolf

Do you even know how it feels to be free? Free, yeah
To have the way I'm having, opportunity
[?] man, this life
So hit me with your best
Do you even know how it feels to be free? Finally

I'll take all the laughter I get
Cause words can only hurt if you got nothing to forget
So hit me with your best shot again, again
My father had a worse right now I'm lifting his debt
Do you even know how it feels to be free? Free, yeah
To have the way I'm having, opportunity
[?] man, this life
So hit me with your best
Do you even know how it feels to be free? Finally

So flick your finger up in my face
And talk behind my back as if I'm from outer space
Karma's a bitch, watch your step, step
My father had a worse right now I'm lifting his debt
Do you even know how it feels to be free? Free, yeah
To have the way I'm having, opportunity
[?] man, this life
So hit me with your best
Do you even know how it feels to be free? Finally
Finally, oh yes, finally, finally

Look boy not I surrender, push it to the limits [?] fight [?]
Piece of paper, ain't no problem [?]
Already go, and if it wasn't for my dream,
But the music in my life, my kid and my wife, I'd probably be dead
Me laughing free like a bird, that's why I'm ya living up
[?] no stop to achieve freedom
Free, oh yes finally, free
Free, [?] free, oh yes we finally free, free.
