

# Grown Man

Karl Wolf

Hey, yeah, been on my broke man shit  
Yeah, oh oh oh  
But it dadadadada, dunodododo  
Diridipdipdip  
Dee, daedae diridaedaedae

I used to be in the club all the time  
And now I'm at home with my shawty  
Man, I think I found the love of my life  
I never thought I would find someone special to me  
I got to know her, she got to know me  
Now everything perfect, yeah  
I always had to look about myself  
And since I met you, I don't need nobody else  
No!

I used to be out in the club  
Ballin' Michael Jordan's  
Out there lookin' for love  
I used to be out in the club  
Ballin' Michael Jordan's  
Out there lookin' for love  
I'm on my grown man sh&() tonight  
Got my money on my mind  
And my girl in my life  
Grown sh\*() tonight  
Got my money on my mind  
And my girl in my life, yeah

And girl, you came right on time  
Right when I needed you most  
Baby, you turned my life around  
Some kind of wonderful  
Turn a boy into a man  
There's only one of you  
Baby, you don't understand  
I always had to look about myself  
And since I met you, I don't need nobody else  
No!

I used to be out in the club  
Ballin' Michael Jordan's  
Out there lookin' for love  
I used to be out in the club

And my girl in my life, yeah

Aye, yo, I used to do a lil club  
Hop and mingle with the ladies but I'm done talkin'  
I grew up, grew up, got my luv locked in  
And now I'm satisfied with only one option

On my grown man shit, and I don't expect y'all to understand it  
I ain't neva play in this, but it's right tonight  
And I ain't tryna do nothin', I'm tryna stay at home  
Watch Game Of Thrones, have a fuck fest  
And keep wife on, I guess it's my life-line  
On my sweatpants shit from daylight to nighttime  
I keep it so comfortable, and oh, how wonderful it is  
I'm givin' it my mind, I don't miss it when I

I used to be out in the club  
Ballin' Michael Jordan's  
Out there lookin' for love
