

Let's Get Rowdy

Karl Wolf

If you the hater (if you the hater)
Then see you later (then see you later)
Then you have no business in this area,
We're spending papers (spending papers,)
But don't judge your girl
She came with the fame (with the fame)
And tell it your friend of your friend
Let's get it in (let's go, let's go!)
Better make the way, better make the stomp
Put platinum and they ring the alarm
Cause I'm a boss (let's go, let's go!)
International flavor, we're taking off!

So, let's get rowdy (let's get rowdy)!
Hey, let's get rowdy (let's get rowdy)!
I missed the Yalla habibi in this party!
So, let's get rowdy (let's get rowdy)!
And let's get rowdy (let's get rowdy)!
I missed the mash-up with girls in this party
So we get rowdy, and we get drunk
And tell the DJ go and turn the shit up
So, we get rowdy, and we get drunk,
And tell the DJ go and turn the shit up!

Bag up, gonna turn up
Bag piss, gonna turn up
Sexy chick, gonna turn up
I'mma bad bitch, gonna turn up
Bottle popping, gonna turn up
Millionaire, gonna turn up
This party, gonn turn up
Wild boys, go turn up

To get rowdy, that's my thought
About my people, about my dough
Get your hands up in the air if you're a millionaire
Start throwing paper, let's go!
One hundred stacks, one show in the club
Put a hundred stacks, and I'll blow this town
Get loud like a wild Sally
In the VIP so, let's go!

So, let's get rowdy (let's get rowdy)!
Hey, let's get rowdy (let's get rowdy)!
I missed the Yalla habibi in this party!
So, let's get rowdy (let's get rowdy)!
And let's get rowdy (let's get rowdy)!
I missed the mash-up with girls in this party
So we get rowdy, and we get drunk
And tell the DJ go and turn the shit up
So, we get rowdy, and we get drunk,
And tell the DJ go and turn the shit up!
