Karl Wolf

Oh oh oh ohh  
Oh oh oh ohhh  
My Ethnicity babay ay  
Oh oh oh ohh  
Oh oh oh ohhh  
My Ethnicity babay ay

My father worked hard every day of his life to give us everything we had  
Then the war took everything away  
It broke his spirit  
So he broke his back  
My mum taught piano and it put us through school  
Didn't have much, everything she knew  
How to make it right  
How to not fight  
yeah yeah yeahh

Then he told me  
Son i want you to go to North America  
To dream the dream of dreams  
To be somebody  
Work real hard  
Don't forget where you came from  
Don't forget who you are  
Look at you, you're a star  
So i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
I can only be me  
[e-ethnicity]  
I can only be me  
[e-ethnicity]

The older i get I feel this need to know  
All about my past and family tree  
Everything my people been through  
And how we finally came to be  
They said I had to go and change my name  
Forget about all my dreams of fame  
I asked my father why  
Does it have to be this way

Then he told me  
Son i want you to go to North America  
To dream the dream of dreams  
To be somebody  
Work real hard  
Don't forget where you came from  
Don't forget who you are  
Look at you, you're a star  
So i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
No i'll never forget my e-ethnicityy  
I can only be me  
[e-ethnicity]

I can only be me  
[e-ethnicity]

But wait waait  
Why should this even make a difference though  
I'm human  
I'm just born this way  
We're the same same  
Take your time to get to know me better  
Buy the album and play it  
Now tell me am i worse then you?

Oh oh oh ohh  
Oh oh oh ohhh  
My Ethnicity babay ay  
Oh oh oh ohh  
Oh oh oh ohhh  
Oh oh oh ohhh  
But i'll never forget my e-ethnicity  
No i'll never forget my e-ethnicity  
[repeated]  
Whats wrong with my e-ethnicity  
I can only be me...
