

# Take It Off

Karl Wolf

Take it off girl tonight  
I'mma keep it dancing, that's my occupation  
They call me doctor  
I've been my patient yeah  
You like the role play  
Camera all day, let me get it in the moon yeah

Once we turn on the lights  
Baby show me all your moves  
Everything you do catch me in the mood  
Now I won't lie cuz we going along tonight  
Set this '.round

Take it off cuz you made it off  
Things that you can't understand make you '.  
Take it off  
Just take it off  
You losing and you can't '

I just want your body, girl I just want your body  
Girl I just want your body  
Take it off girl tonight

So seductive(so seductive)  
You and your girlfriend  
Still in the spot light yeah  
We going all night, let's just keep it personal

Once we turn on the lights  
Baby show me all your moves  
Everything you do catch me in the mood  
Now I won't lie cuz we going along tonight  
Set this '.round

Set this party up  
Take it off cuz you made it off  
Things that you can't understand make you '.  
Take it off  
Just take it off  
You losing and you can't '

I just want your body, girl I just want your body  
Girl I just want your body  
Take it off girl tonight

Once we turn on the lights  
Baby show me all your moves  
Everything you do catch me in the mood  
Now I won't lie cuz we going along tonight  
Set this '.round

Set this party up  
Take it off cuz you made it off  
Things that you can't understand make you '.  
Take it off  
Just take it off  
You losing and you can't '

I just want your body, girl I just want your body  
Girl I just want your body  
Take it off girl tonight
