

# Wasted

Karl Wolf

I think I've make a big mistake  
I outta here having way to many drinks

If you'll wanna leave me, I'mma let you be  
I don't blame you  
Don't know what the fuck happened  
But when I start rappin' I got all this attention  
That deteorats my actions  
Now I got to, got to tell you face to face

It's three am and baby, I'm wasted, wasted, wasted, wasted  
It's three am and baby, I'm wasted, wasted, wasted, wasted

My addiction was different kinda of women  
My conviction was 25 years

If you'll wanna leave me, I'mma let you be  
I don't blame you  
Don't know what the fuck happened  
But when I start rappin' I got all this attention  
That deteorate my actions  
Now I got to, got to tell you face to face

It's three am and baby, I'm wasted, wasted, wasted, wasted  
It's three am and baby, I'm wasted, wasted, wasted, wasted
