

# Tell Me Why

Karla Bonoff

Everywhere I look the sun is shining  
But it's always raining here inside  
I can see  
You really had a hold on me  
It's a mean old love  
With a flame that never dies

Won't you tell me why  
I can't say goodbye

Everywhere I go you're in my shadow  
When I turn around there's no one there  
And it's a real bad sign  
I'm walking on a real thin line  
A fool in love with a fool that never cared

Won't you tell me why  
I can't say goodbye  
Won't you tell me why

Ask anyone you know  
And they'll say love fades away  
But this hearts' cryin' just like yesterday

And it's a real bad sign  
I'm walking on a real thin line  
A fool in love with a fool that never cared

So won't you tell me why  
I can't say goodbye

Won't you tell me why  
I can't say goodbye
