## **Never Say Die**

## Karma to Burn

People going nowhere, taken for a ride Looking for the answers that they know inside Searching for a reason, looking for a rhyme Snow White's mirror said "partners in crime!"

Don't they ever have to worry? Don't you ever wonder why? It's a part of me that tells you Oh, don't you ever, don't ever say die Never, never, never say die again

Sunday's satisfaction, Monday's home and dry Truth is on the doorstep, welcome in the lie All dressed up in sorrow, got no place to go Hold back, `till it's ready, taking it slow

Don't they ever have to worry? Don't you ever wonder why? It's a part of me that tells you Oh, don't you ever, don't ever say die Never, never, never say die again

Don't you ever say die Don't you ever say die Never say die

Panic, silver lining, writing's on the wall Children get together, you can save us all Future's on the corner, throwing us a die Slow down, turn around, everything's fine

There's no need to have a reason There's no need to wonder why It's a part of me that tells you Oh, don't you ever, don't ever say die Never, never, never say die again
