

# Brokenhearted

Karmin

This is more than the typical kinda thing  
Felt the jones in my bones when you were touching me, uh oh  
Didn't wanna take it slow  
In a daze, going crazy, I can barely think  
You're replaying in my brain, find it hard to sleep, uh oh  
Waiting for my phone to blow  
Uh oh yep

Now I'm here in a sticky situation  
Got a little trouble, yep and now I'm pacing  
Five minutes, ten minutes, now it's been an hour  
Uh don't wanna think too hard, but I'm sour

Uh oh, I can't seem to let you go

See, I've been waiting all day  
For you to call me baby  
So let's get up, let's get on it  
Don't you leave me brokenhearted tonight  
Come on, that's right  
Honest baby, I'll do anything you want to  
So can we finish what we started  
Don't you leave me brokenhearted tonight  
Come on, that's right, cheerio

What's the time, such a crime  
Not a single word, sipping on that Patrón  
Just to calm my nerves, uh oh  
Poppin' bottles by the phone  
Oh yeah  
Had me up, had me down, turn me inside out  
That's enough, call me up  
Baby I'm in doubt, oh oh  
I don't even think you know, no no

See, I've been waiting all day  
For you to call me baby  
So let's get up, let's get on it  
Don't you leave me brokenhearted tonight  
Come on, that's right  
Honest baby, I'll do anything you want to  
So can we finish what we started  
Don't you leave me brokenhearted tonight  
Come on, that's right, cheerio

Anything you wanna do, I'll be on it too  
Everything you said is like gold with the view  
Business in the front, party in the back  
Maybe I was wrong, was the outfit really wack?

This kinda thing doesn't happen usually  
I'm on the opposite side of it, truthfully  
I know you want it so come and get it, cheerio

See, I've been waiting all day  
For you to call me baby  
So let's get up, let's get on it

Don't you leave me brokenhearted tonight, ohhhohohhhooohhhh  
Honest baby, I'll do anything you want to  
So can we finish what we started  
Don't you leave me brokenhearted tonight  
Come on, that's right, cheeri, cheerio

When you gonna call  
Don't leave me brokenhearted  
I've been waiting up  
Let's finish what we started, oh oh  
I can't seem to let you go  
Come on, that's right, cheerio, uh!
