## **Circle The Drain**

## Karmin

This is the last time you say
After the last line you break
It's not even a holiday
Nothing to celebrate-brate-brate...

You give a hundred reasons why And say you're really gonna try If I had a nickel for everytime I'd overbank

Thought I was the exception
I could rewrite your addiction
You could have been the greatest
But you'd rather get wasted

You fall asleep during foreplay 'Cause the pills you take are more your forté I'm not sticking around to watch you go down

Wanna be your lover
Not your fucking mother
Can't be your savior
I don't have the power
I'm not gonna stay and
watch your circle to drain
Watch your circle to drain
Watch your circle to drain

You say you have to write your rhymes Whatever helps you sleep at night You've become what you despise A stereotype-type-type...

You think you're so rock and roll But you're really just a joke Had the world in the palm of your hand But you fucking cho-o-o-oked

Should've been my team mate Could've changed your fate You say, that you love me You won't remember in the morning

You fall asleep during foreplay 'Cause the pills you take are more your forté I'm not sticking around to watch you go down

Wanna be your lover Not your fucking mother Can't be your savior I don't have the power I'm not gonna stay and watch your circle to drain Watch your circle to drain Watch your circle to drain

You fall asleep during foreplay
'Cause the pills you take
are more your forté
I'm not sticking around (I'm not sticking around)
to watch you go down (I'm not sticking around)
Wanna be your lover
Not your fucking mother

Can't be your savior
I don't have the power
I'm not gonna stay and
watch your circle to drain
Watch your circle to drain
Watch your circle to drain

Watch your circle to drain

Watch your circle to drai-ai-ain

La la da da da da, da, da La la da da da da, da, da

You're goin' down You're goin' down You're goin' down...

You fall asleep during foreplay 'Cause the pills you take are more your forté I'm not sticking around to watch you go down
