

# Coming Up Strong

Karmin

Why you crying, it's ok now  
If I hold you, will you calm down?  
It's your way with words  
That can make me burn  
When you say it, do you mean it?  
When I shout out, can you hear me?  
When it's all too much  
Look at what we've done

(2x)  
That's when I'm coming up strong,  
Coming up strong  
Coming up, coming up strong  
Coming up Oh, Oh  
Now, nothing they can do to break us now  
Singing our song, gettin' lost to the sound  
Once I was lost, now I'm found  
Shining through the dark... can't hold us down

Call me ruthless, we've been through this  
Who's to blame now, babe it's useless  
Cause it's no one's fault, if the lights were off  
When we're shining, then we're flying  
Through the wheel house, that we're grinding  
When it's all too much,  
Look at what we've done

(2x)  
That's when I'm coming up strong,  
Coming up strong  
Coming up, coming up strong  
Coming up whoa,  
Now, nothing they can do to break us now  
Singing our song, gettin' lost to the sound  
Once I was lost, now I'm found  
Shining through the dark, can't hold us down

So easy we forget and say clouds are moving in  
Rain starts to fall again  
But as soon as you tell me it's ok!

(2x)  
That's when I'm coming up strong,  
Coming up strong  
Coming up, coming up strong  
Coming up, Oh,  
Now, nothing they can do to break us now  
Singing our song, gettin' lost to the sound  
Once I was lost, now I'm found  
Shining through the dark, can't hold us down

Why you crying, it's ok now  
If I hold you, will you calm down?  
When it's all too much  
Look at what we've done.
