

I'm Just Saying

Karmin

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

Future in my hands
Gotta make it count
Convince yourself it's feasible
Then there's nothin' else
Sick addiction
Dangerous mind
Put it on command'
Error: undefined
Even when you got a shadow of a doubt
Even when a hundred people tell you it's a wipeout
You gotta do it big
You gotta do it strong
At the end of the day
You're the one who's in the wrong
Regrettin' and forgettin' everything you worked for
Instead a trend settin' and bettin'
It's so upsettin' I'm sweatin now
And I can't believe it
It should be so easy
Oh...
Already got a knack
Just dial it back
The window's open and the world is yours
Go attack
Cause when the wind is right and the tide is high
It's time to fly

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH
OH, OH, OH

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH

OH, OH, OH

Did you ever think
I'll do what I want
Me in the marathon, UH
One in the front
Now you're makin' plans
Don't let them screw it up
Better write
Your name on it
Paper cut
Most people afraid of hearing no
Got booted off stage once apollo
I can do anything
That I wanna do
And I'll take that
Cause it's not for you
Took a few years to surface

But now it's so bizurkus
And I'm ring leadin'
In this circus
I'm just sayin'
I'm just layin' and pavin' the road
Ahead of me
Breavin' the elements and watchin' it
Cave in
My heart is racin' and palpitatin'

I'm so done
Anticipatin'
It's all good
YEAH made up
Up my mind
Threadin'
The needle
It's part of
The design

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH
OH, OH, OH

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH
OH, OH, OH

Oh if I want it
I know I'm gonna get it

I'm just sayin' that's the way that it goes

Oh if I want it
I know I'm gonna get it
I'm just sayin' that's the way that it goes

And if we look at life
Imma tell you what
You only get one
We bein' honest
HUH?
Let em tell you no
We on another plane approachin'
Destination hit the main vein
Now we glidin' windin'
Tryin' not to crash
Cause we so high
Gotta keep grindin'

Not a limit
No drivin'
The ship
We runnin'
It all

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

Oh if I want it
I'm gonna get it
And I'm just sayin'
I'm just sayin'

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH
OH, OH, OH

I know, know know
Where to go, go, go
OH, OH, OH
OH, OH, OH
OH, OH, OH
