

Summer Nights

Karmin

Summer nights summer, summer nights tell me more
Summer nights summer, summer nights

Summer loving had me a blast
Summer loving happen so fast
Met a boy cute as can be
I met a girl crazy for me

Summer days drifted away to the summer night, to uh-oh those

Summer nights

Uh well-a well-a well-a huh

Tell me more, tell me more
Did you get very far
Tell me more, tell me more
Like does he have a car
Tell me more, tell me more
Was like love it first sight
Tell me more, tell me more
Did she put up a fight

Summer nights summer, summer nights tell me more
Summer nights summer, summer nights

Took him bowling in the arcade
We went strolling, drank lemonade
We made out under the dock
We stayed out till ten o'clock

Summer fling, don't mean a thing, but uh-oh those summer
nights

Uh well-a well-a well-a huh

Tell me more, tell me more
Did you get very far
Tell me more, tell me more
Like did he have a car
Tell me more, tell me more
Was like love it first sight
Tell me more, tell me more
Did she put up a fight

Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights

It turned colder that's where it ends
So I told her we'd still be friends
Then we made our true love vow
Wonder what she's doing now

Summer dreams ripped at the seams, bu-ut oh, all these su-

ummer nights

Uh well-a well-a well-a huh

Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
Summer nights summer, summer nights tell me more
