

Teenage Dream

Karmin

I think you're pretty
Without any makeup on
I think you're funny
When you tell the punchline wrong
I knew you got me
So you let your walls come down, down

Before you met me
I was alright, but things
Were kinda heavy
You brought me to life
Now every February
You'll be my Valentine, Valentine

Let's just talk all through the night
There's no need to rush
We can dance, until we die
You and I, will be young forever

You make me feel
Like I'm livin' a
Teenage dream
The way you turn me on
I can't sleep
Let's run away and
Don't ever look back,
Don't ever look back

My heart stops
When you look at me
Just one touch
Now baby I believe
This is real
So take a chance and
Don't ever look back,
Don't ever look back

When you're around me,
Life's like a movie scene
I wasn't happy,
Until you became my queen
I finally found you,
My missing puzzle piece
I'm complete

Let's just talk all through the night
There's no need to rush
We can dance, until we die
You and I, will be young forever

You make me feel
Like I'm livin' a
Teenage dream
The way you turn me on
I can't sleep
Let's run away and
Don't ever look back,

Don't ever look back

My heart stops
When you look at me
Just one touch
Now baby I believe
This is real
So take a chance and
Don't ever look back,
Don't ever look back

I'mma get your heart racing
If that's what you need,
In this teenage dream tonight
Let you rest your head on me,
If that's what you need,
In this teenage dream tonight, tonight, tonight
Tonight

You make me feel
Like I'm livin' a
Teenage dream
The way you turn me on
I can't sleep
Let's run away and
Don't ever look back,
Don't ever look back

And my heart stops
When you look at me
Just one touch
Now baby I believe
This is real
So take a chance and
Don't ever look back,
Don't ever look back
