

## Your Love

Karmin

Shawty, Imma only tell you this once, you're the illest  
And for your lovin' I'm a Die Hard like Bruce Willis  
You got spark, you, you got spunk  
You, you got something all the girls want  
You're like a candy store and I'm a toddler  
You got me wantin' more and mo mo more of

Your love, your love (yeah, yeah) [x3]

He the type to pop tags and be cocking the brim  
Might breeze through The Ave, might stop at the gym  
And he keep a du rag, keep the wave on swim  
Wa-wa-waves on swim so they hate on him  
Anyway I think I met him sometime before  
In a different life or where I record  
I mean he was Adam, I think I was Eve  
But my vision ends with the apple on the tree  
'S' on my chest cause I'm ready to save him  
Ready to give up on anybody that plays him  
And I think I love him, I love him just like I raised him  
When he call me mama, lil mama, I call him baby

He the type to keep a couple hundred grand in the rubberband  
Just left Money Gram in the Lemon Lam  
Hot damn make me scream like summer jam  
I mean that boy must be from the motherland  
Anyway I think I met him in the Sky  
When I was a Geisha he was a Samurai  
Somehow I understood him when he spoke Thai  
Never spoke lies and he never broke fly  
"S" on my chest let me get my cape on  
With a certificate that I changed my name on  
"S" on my chest let me get my cape on  
With a certificate that I changed my name on

Find me in the dark  
I'll be in the stars  
Find me in your heart  
I'm in need of your love [x2]
