

# Sooo Weak

Karyn White

Sexy baby, won't you stay a while?  
These thoughts won't leave me alone.  
My weakness lies before your pretty eyes  
Forever trapped in your world.

You and I, I'm so  
Mesmerized, forever trapped in your world.  
Now request for company,  
So I plea for affection,  
Your affection, boy, it's truly a blessing.

Sex, boy, I'm feeling, boy,  
I'm hoping to whatever, boy,  
Mind and body to enjoy,  
You got me so weak.  
Nothing cannot belong,  
This naughty feeling is so strong  
Boy, this is where you belong  
You've got me so weak.

I enjoy that my intentions for you  
Are something you can't deny.  
Between you and me, boy, I swear, there's a difference,  
Loving, I'm confident, I'm a bring it to you, baby.

You and I, mesmerized,  
Forever trapped in your world.  
Request for your company, I simply plea for affection,  
Your affection, boy, it's truly a blessing.

Sex, boy, I'm feeling, boy,  
I'm hoping to whatever, boy,  
Mind and body to enjoy,  
You got me so weak.  
Nothing cannot belong,  
This naughty feeling is so strong  
Boy, this is where you belong  
You've got me so weak.

Baby, I got the lover's recipe,  
You can put your weight on me,  
If you just surrender your heart.

I want you to know I will give you all I got  
I want you to know I will give you all I got  
I want you to know, boy, you can have it.  
You got me so weak.

Sex, boy, I'm feeling, boy,  
I'm hoping to whatever, boy,  
Mind and body to enjoy,  
You got me so weak.  
Nothing cannot belong,  
This naughty feeling is so strong  
Boy, this is where you belong  
You've got me so weak.

Sex, boy, I'm feeling, boy,  
I'm hoping to whatever, boy,  
Mind and body to enjoy,  
You got me so weak.  
Nothing cannot belong,  
This naughty feeling is so strong  
Boy, this is where you belong  
You've got me so weak.
