

# Tell Me Tomorrow

Karyn White

Lately I've seen a change in you  
Your touch is not the same  
You close the door to all your emotions  
I'm left out in the rain

You said that we should go our separate ways  
Indecision leads your heart  
I could never live in a world without you  
And the pain inside is tearin' me apart

Tell me tomorrow  
Don't you break my heart tonight, oh, baby  
Oh, oh, let's just make believe  
This love will never die

I-I  
I-I-I-I  
Oh, oh, oh

Maybe I was holdin' on too tight  
I guess I should have known  
When you leave, I won't put up a flight, no  
If you have to go

Close your eyes, take me in your arms  
Just the way it used to be, yeah  
But before you turn and walk away  
Is there a place in your heart that still belongs to me, oh

Tell me  
Don't you break my heart tonight, oh, oh, no  
Tell me tomorrow, oh, baby, let's just make believe  
This love will never die

It's so hard to look in your eyes  
And watch all my dreams fade away, ooh, baby  
Now I've got to be strong enough  
To face another day

Tell me tomorrow  
Don't you break my heart tonight, no  
Tell me tomorrow, hey, baby, let's just make believe  
This love will never die

Ooh, baby  
Don't you break my heart, don't you go and break my heart  
I really want you, I really need you  
Oh...oh...oh...gonna say goodbye

Tell me tomorrow  
Close your eyes, take me in your arms just the way it used to be  
Is there a place in your heart that still belongs to me, yeah

Oh...ooh...ooh?

Don't you break my heart  
The pain is tearin' me apart, oh, oh

Ooh, baby  
Tell me, I want to know tonight

Tell me tomorrow
