

True Colors

Karyn White

You with the sad eyes,
Don't be discouraged.
Oh, I realize
It's hard to take courage
In a world full of people,
You can lose sight of it all.
And the darkness inside you
Can make you feel so small.

But I see your true colors
Shining through.
Your true colors
And that's why I love you.
So don't be afraid to let them show.
Your true colors, your true colors,
So beautiful, like a rainbow.

Show me your smile, then,
Don't be unhappy, can't remember when
I last saw you laughing.
If this world makes you crazy
And you've taken all that you can bear,
You call me up
And you know I'll be there.

'Cause I see your true colors
Shining through,
True colors,
That's why I love you.
Don't be afraid to let them show,
Your true colors,
True colors are beautiful,
Like a rainbow.

So keep your head up
And don't dare let go,
'Cause you're a winner.

I see your true colors,
I see your true colors shining through
True colors shining through.
Shining through, shining through, shining through.
