

## True Colors

Karyn White

You with the sad eyes,  
Don't be discouraged.  
Oh, I realize  
It's hard to take courage  
In a world full of people,  
You can lose sight of it all.  
And the darkness inside you  
Can make you feel so small.

But I see your true colors  
Shining through.  
Your true colors  
And that's why I love you.  
So don't be afraid to let them show.  
Your true colors, your true colors,  
So beautiful, like a rainbow.

Show me your smile, then,  
Don't be unhappy, can't remember when  
I last saw you laughing.  
If this world makes you crazy  
And you've taken all that you can bear,  
You call me up  
And you know I'll be there.

'Cause I see your true colors  
Shining through,  
True colors,  
That's why I love you.  
Don't be afraid to let them show,  
Your true colors,  
True colors are beautiful,  
Like a rainbow.

So keep your head up  
And don't dare let go,  
'Cause you're a winner.

I see your true colors,  
I see your true colors shining through  
True colors shining through.  
Shining through, shining through, shining through.
