Apnoea

Pick diamonds up set demons free Issue my fire On the weakened liar Last gang in town Set to burn it down I summoned you to the aftermath Apnoea Bearing down on me Put your boots in man Put your boots in girl See the piggies fly See the system fail Said it isn't me Said it isn't you Change made by all and not by one

Apnoea Bearing down on me Apnoea Bearing down on me Apnoea Bearing down on me Kasabian
