Kasabian

1. One...take control of me?  
You're messing with the enemy  
Said its 2..it's another trick  
Messin with my mind, I wake up
2. Chase down an empty street  
Blindly snap the broken beats  
Said it's cut with a dirty trick  
Its taken all these days to find ya
- R: I tell you I want you  
I tell you I need you
3. Friends, take control of me  
Stalking cross' the gallery  
All these pills got to operate  
The colour quits and all invade us
4. There he goes again  
Take me to the edge again  
All I got is a dirty trick  
I'm chasin down the wolves to save ya
- R: I tell you I want you  
I'll tell you I need you  
I... the blood aint on my face  
Just wanted you near me
- I tell you I want you  
I'll tell you I need you  
The blood aint on my hands  
Just wanted you near me
- I tell you I want you  
I'll tell you I need you  
The blood aint on my hands  
Just wanted you near me
