

# Fast Fuse

Kasabian

Oh baby I was born with a fast fuse  
I got no time to love just a city to abuse

Ahh come get me with your files don't arrest me  
I'm Lucifer's child, wild, acids done  
Black sunglasses shade the morning sun

So come get me all you fuckers can't touch me  
I'm the hooligan choir, sire, so sit don't scatter  
It don't matter get me 1 2 3

Gold lighting in the sky  
Gold lighting in the sky

Oh baby I was born with a fast fuse  
I got no time to love just a city to abuse  
Oh baby I was born with a fast fuse  
I got no time to love just a city to abuse

The vultures circle round  
They wait above the ground

Ahh how dare you now it's time to address you  
I'm the reason you came, shame, stroke my mane  
See my fist chopping up your reign

It's getting hotter now I'm spitting out lava  
I'm the Spaniard in the works, jerks, genuine stock  
Hear that bomb going tick tick tock

Gold lighting in the sky  
Gold lighting in the sky  
Gold lighting in the sky  
Gold lighting in the sky

Oh baby I was born with a fast fuse  
I got no time to love just a city to abuse  
In the middle of the night when they come for you  
What you gonna be who you gonna to do

Heaven may come and heaven may call but I won't be there  
Heaven may come and heaven may call but I won't be there  
Heaven may come and heaven may call but I won't be there  
Heaven may come and heaven may call but I won't be there
