Kasabian

When I look up to the skies  
I see your eyes a funny kind of yellow (yellow)  
I rush home to bed I soak my head  
I see your face underneath my pillow (pillow)  
I wake next morning, tired, still yawnin'  
See your face come peepin' through my window (window)

Windows echo your reflection  
When I look in their direction now  
When will this haunting stop?  
Your face it just wont leave me alone
