

# Wasted

Kasabian

Summer is here once again, so I'm told  
But you won't catch me in my shorts  
I'd rather just sit in this bar and drink all day  
Knowing that you'll wander in through the door, door

There's been so much time wasted without you by my side  
Remember how we danced off our heads  
Under streetlights, such a mad ride  
Running from our friends to kiss you in the alleyways by the ri  
ptide  
There was only us in our world  
And the music, it never died, never died, never died

Summer is here once again and there you are  
I see you're alone so I make my move  
Give me the eyes, the ones that lit the fuse  
The eyes that could lift up my feet off the ground, ground, gro  
und

There's been so much time wasted without you by my side  
Remember how we danced off our heads  
Under streetlights, such a mad ride  
Running from our friends to kiss you in the alleyways by the ri  
ptide  
There was only us in our world  
And the music, it never died, never died, never died

Come on now, come on now  
Come on, let's get together  
Come on now, come on now  
Come on, let's get together

There's been so much time wasted without you by my side  
Remember how we danced off our heads  
Under streetlights, such a mad ride  
Running from our friends to kiss you in the alleyways by the ri  
ptide  
There was only us in our world  
And the music, it never died, never died, never died

There's been so much time wasted without you by my side  
Remember how we danced off our heads  
Under streetlights, such a mad ride  
Running from our friends to kiss you in the alleyways by the ri
