

Where Did All the Love Go?

Kasabian

Ever took a punch in the ribcage sonny?
Ever met a soul who had no shrine?
Keep this all in your mind and get it inside my window
What do we become trying to kill each other?
You're faking it son gonna get you tonight
I suck another breath to the hearts of the Revolution
Cause you still ain't right

Where did all the love go?
I don't know, I don't know (I bet you can't see it)
Where did all the love go?
I don't know, I don't know (I bet you can't see it)

Gotta see the signs of a real change a comin'
Take another sip from your hobo's wine
Get yourself a million miles from the concrete jungle
This is a time full of fear full of anger
A heroes exchange for a telephone line
Whatever happened to the youth of this generation?
But you still ain't right

Where did all the love go?
I don't know, I don't know (I bet you can't see it)
Where did all the love go?
Now I don't know why, oh why

The rivers of the pavement
Are flowing now with blood
The children of the future
Are drowning in the flood

Where did all the love go?
Now I don't know why, oh why

In this social chaos
There's violence in the air
Gotta keep your wits about you
Be careful not to stare
Oh, oh, oh, oh

Where did all the love go?
I don't know, I don't know (I bet you don't see it)
Where did all the love go?
Now I don't know why, oh why
(I bet you can't see it)
