

# Dustbowl

Kasey Chambers

This town has got a hold on me  
This town has got a hold on me  
Well, I lost my soul  
Now I'm stuck here in a dustbowl

There's a road leading in but there ain't one out  
There's a road leading in but there ain't one out  
Now I'm on a roll  
And I'm stuck here in a dustbowl

It's gonna blow, oh Lord  
It's gonna blow, oh Lord  
It's gonna blow I know  
I'm stuck here in a dustbowl

It'll pick you up, it'll spit you out  
Yeah, it'll pick you up, it'll knock you down  
Yeah it'll take its toll  
Now I'm stuck here in a dustbowl

It's gonna blow, oh Lord  
It's gonna blow, oh Lord  
It's gonna blow I know  
I'm stuck here in a dustbowl  
It's gonna blow I know  
I'm stuck here in a dustbowl  
Blow I know  
I'm stuck here in a dustbowl  
Blow I know  
I'm stuck here in a dustbowl
