

# Hell of a Way to Go

Kasey Chambers

If I die from this broken heart  
Will you bury me  
Under the soil way down by the apple tree

Don't make a fuss  
You just gotta carry me  
Hey Ho Hey Ho

Send out a loan collateral to borrow  
Find me a tomb stone by tomorrow  
Sell everything I own for a dollar  
Hey Ho Hey Ho

Cos I like it just so you know  
I don't mine  
Cos it's a hell of a way to go  
I like it just so you know  
I don't mind  
Cos it's a hell of a way to go

If I die from this broken heart when the moon is high  
I'll make a point to laugh so you don't have to cry  
Send out a message in a bottle if you want to try  
Hey Ho Hey Ho

Give both my eyes to the blind for nothin  
Give both my ears to the deaf no fussin  
Don't do a thing with my heart it's worth nothing  
Oh Hey Ho Hey Ho

I like it just so you know  
I don't mine  
Cos it's a hell of a way to go  
I like it just so you know  
I don't mind  
Cos it's a hell of a way to go  
It's a hell of a way to go
