

I Would Do

Kasey Chambers

Everybody plays the fool
And I am no exception to the rule
There is nothing that I would erase
From the first time that I saw your face

I would do, I would do
I'd do anything for you
I would beg, I would steal
I'd make any kind of deal

I'd stop believe or I'd pray
Settle down or run away
I'd do it till a heart breaks
If that's what it takes

Everybody's way beyond
But I can only save you if you want
There is nothing here that can replace
If it's the last time that I see your face

I would do, I would do
I'd do anything for you
I would be, I would steal
I'd make any kind of deal

I'd stop believe or I'd pray
Settle down or run away
I'd do it till a heart breaks
If that's what it takes
Until a heart breaks
If that's what it takes

And I'd walk over broken glass
And I'd give up everything that I have
And I'd climb to the very top
Of the cross on demand
Nails in my hands
Nails in my hands
Nails in my hands
Nails in my hands

I would do, I would do
I'd do anything for you
I would be, I would steal
I'd make any kind of deal

I'd stop believe or I'd pray
Settle down or run away
I'd do it till a heart breaks
If that's what it takes
Until a heart breaks

Until my heart breaks
If that's what it takes

Everybody plays the fool
And I am no exception to the rule
