

## If I Were You

Kasey Chambers

If I was good  
I'd tell everyone I know  
If I was free  
I wouldn't be so keen to go

If I was wrong  
I would take it like a man  
If I was smart  
I would get out while I can

If I was broken  
I would probably let it be  
If I was dying  
I wouldn't go out quietly

If I was lost  
Well my heart would feel the same  
If I was honest  
I would probably be ashamed

But if I were you  
I would notice me  
If I were you  
I would wait for me

If I were you  
I would easily hold me and say  
It's all gonna be OK

If I was rich  
I would spend it on my own  
If I was dignified  
I'd only smoke at home

If I was dark  
I would only dress in black  
If I was chosen  
I would gladly give it back

It's not for you to judge  
From all this kind of stuff  
I'm only half of what you see
