

No One Hurts Up Here

Kasey Chambers

No one cries up here
No one cries up here
Shed your burden out of your tear
No one cries up here

No one hurts up here
No one hurts up here
Sorrow fades and disappears
No one hurts up here

No one fails up here
No one fails up here
Have no worry, have no fear
No one fails up here

No one hurts up here
No one hurts up here
Raise your weary head my dear
No one hurts up here
