

## Oh Grace

Kasey Chambers

Oh Grace my love  
I am weary  
I am poor  
I don't have enough  
To impress you anymore

Not a nickel, not a dime  
No possession that is mine  
There is something for to gain  
Though I have nothing to my name

Oh grace won't you marry me  
All I have is my life  
It is yours for eternity  
If I make you my wife

Oh grace my love  
There is nothing that I own  
I don't have enough  
For a house, for a home

Not a thing that can be sold  
Traded in for a band of gold  
But I bow to make it last  
With the only thing I have

Oh grace won't you marry me  
All I have is my life  
It is your for eternity  
If I make you my wife  
Oh grace wont you marry me  
All I have is my life  
It is yours for eternity  
If I make you my wife  
If I make you my wife  
If I make you my wife
