

Sick As A Dog

Kasey Chambers

I got the fever, I got the cough
My head is pounding like the wheel's come off
I got the shivers, I got the shakes
I'm burning up at a hundred and eight

I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor
I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor

I've got the achin' down in my bones
Like I been beaten with the sticks and stones
I'm gonna pass out, I'm gonna crash
I'm gonna struggle gettin' rid of the rash

I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor
I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor

I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor
I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor

I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor
I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor

I'm sick as a dog, I'm sick as a dog
I'm sick as a dog, better call the doctor
