

'Til Death Do Us Part

Kasey Chambers

I'll walk here beside you
I'll walk here beside you
I'll walk here beside you forever, my love
'Til death do us part

I'll climb up that mountain
I'll climb up that mountain
I'll climb up that mountain to meet you, my love
'Til death do us part

I'll sing Hallelujah
I'll sing Hallelujah
I'll sing Hallelujah forever, my love
'Til death do us part
I'll sing Hallelujah forever, my love
'Til death do us part
