

Up Or Down

Kasey Chambers

When you can hear that final word
Will you be sure of what you heard?
Oh, can you say where you'll be bound
Will you go up or will you go down?

Oh, when that day has finally come
Oh, when your race is finally run
Oh, will you rest down in the ground?
Will you go up or will you go down?

When you take your last breath of air
And you listen to your final prayer
Oh, will it be a lonesome sound?
Will you go up or will you go down?

Oh, will it be a lonesome sound?
Will you go up or will you go down?
