

# You Got The Car

Kasey Chambers

The last time I held you  
You held the cards and I was  
asking for anything you had  
You saw it coming but you  
didn't tell me and next  
thing everything turned bad

You got the car and I got the break  
I've had as much as I can take  
And my heart can't handle anyomre  
And all the kings horses and all the kings men  
couldn't put me back together again  
So I laid in broken pieces on the floor  
So don't come back for more

The last time I saw you  
You didn't see me from  
The sdiewalk the south side of town  
I called your name in a whisper so  
You wouldn't hear me and turn around

The last time I thought of you  
Was in this song and I  
Can't get you out of my head  
But I'm not stupid I can  
Just walk away and  
I'll break my own heart instead
