

# Don't Stop Dancing

Kaskade

Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl

World outside you  
We'll let you in  
To share the beauty  
You hold within

Just keep going  
Everyday  
The silver lining  
Is on its way

'Cause what you long for  
Is free  
What you stand for  
Is to be

Lift your feet up  
Off the ground

Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl

Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl

'Til you reach it  
You won't know  
Just what's the distance  
You'll need to go

But it's out there  
Beyond today  
The silver lining  
Is on its way

'Cause what you long for  
Is free  
What you stand for  
Is to be

Lift your feet up  
Off the ground

Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl  
Don't stop dancing, girl

(Keep on dancing)

Don't stop dancing, girl  
(Emptiness is waiting)  
Don't stop dancing, girl  
(Keep on dancing)  
Don't stop dancing, girl  
(Emptiness is waiting)  
Don't stop dancing, girl

(Keep on dancing)  
Don't stop dancing, girl  
(Emptiness is waiting)  
Don't stop dancing, girl  
(Keep on dancing)  
Don't stop dancing, girl  
(Emptiness is waiting)  
Don't stop dancing, girl

Don't stop dancing, girl  
Don't stop dancing, girl
