

Everything

Kaskade

I'm finding the more I see the more I can see
Now I'm not hiding anymore, yeah, yeah

Come on, baby, let me know how you feel
Come on take me, I can see this is real

Ever since your love filled my life
I see it's changing everything
Don't you know the way you move me
It's so right, it's better than anything

You are the star in the night time
Shining for me, baby
Love is so right
Come on, I'm feeling everything

You know me in a way like no one ever before
You hold me forever, yeah, yeah

Come on, baby, let me know how you feel
Come on take me, I can see this is real

Ever since your love filled my life
I see it's changing everything
Don't you know the way you move me
It's so right, it's better than anything

You are the star in the night time
Shining for me, baby
Love is so right
Come on, I'm feeling everything

Come on, baby
Come on, baby
