

## Ice

Kaskade

I wanted money, cause money don't lie  
I wanted tears, but I couldn't cry  
I wanted you, I didn't know why  
I wanted money, to fill up the sky

I was so lost  
And now I'm not  
The boy that I was  
Is inside...

I'm ice.  
You can see right through me.  
I'm ice.  
There's nothing in my eyes.

I'm ice, ice, ice...

I wanted money, cause money don't lie  
I wanted tears, but I couldn't cry  
I wanted you, I didn't know why  
I wanted money, to fill up the sky

I was so lost  
And now I'm not  
The boy that I was  
Is inside...

I'm ice.  
You can see right through me.  
I'm ice.  
There's nothing in my eyes.

I'm ice, ice, ice...

I'm ice.  
You can see right through me.  
I'm ice.  
There's nothing in my eyes.

I'm ice, ice, ice...
