

## Lessons In Love

Kaskade

When you walk my way  
I feel a rush come over me  
A sharp panic panic  
It's the things you say  
That makes a rush come over me  
It happens all the time

I never was too good at following rules  
Na na  
I'm better just pretending I was a fool

All day, all night  
I got the lights in my eyes  
And I'm falling for you  
Keep cool, stay tough  
But that's never enough  
And these are the lessons in love

All day, all night  
I got the lights in my eyes  
And I'm falling for you  
Keep cool, stay young  
I'm just having my fun  
With the lessons in love

If I walk away  
I feel a push inside of me  
That won't let me leave  
But what could I say  
For you to feel what's inside of me  
This happens all the time

I never was too good at following rules  
Na na  
I'm better just pretending I was the fool  
Hear me out...

All day, all night  
I got the lights in my eyes  
And I'm falling for you  
Keep cool, stay tough  
But that's never enough  
And these are the lessons in love

All day, all night  
I got the lights in my eyes  
And I'm falling for you  
Keep cool, stay young  
I'm just having my fun  
With the lessons in love

All day, all night  
I got the lights in my eyes  
All day, all night  
I got the lights in my eyes  
All day, all night  
I got the lights in my eyes

All day, all night  
I got the lights in my eyes
