

Samba Love

Kaskade

Never took the chance to say, "I love you."
And that's the one thing I regret
Never said the truth of what I was feelin'
Feelings everytime that we met

Now that I have an understanding,
Now that I realize the way,
Now that we're in this conversation,
Now is the moment I say:

You are my only love,
you're here finally,
you are my only one,
come be with me

Never took the chance to say, "I love you."
And that this love for you is strong
Now that you know what I wanted to tell you
Wanted to tell you for so long

You are my only love,
you're here finally,
you are my only one,
come be with me

You are my only love,
you're here finally,
you are my only one,
come be with me
