

# Sorry

Kaskade

Moving fast or standing still  
The distance seems so much to fill

I wanna say I'm sorry  
My love, I was wrong  
I wanna say I'm sorry  
My love, I'll be strong

I wanna say I'm sorry  
My love, take my hand  
I wanna say I'm sorry  
Don't worry, understand

In my mind the image I see  
Keep it close, always reminding me

I wanna say, I wanna say  
My love, I was wrong  
I wanna say I'm sorry  
My love, I'll be strong

I wanna say I'm sorry  
My love, take my hand  
I wanna say I'm sorry  
Don't worry, understand

I wanna say I'm sorry  
My love, I was wrong  
I wanna say I'm sorry  
My love, I'll be strong

I wanna say I'm sorry  
My love, take my hand  
I wanna say I'm sorry  
Don't worry, understand

I wanna say I'm sorry
