

Sorry

Kaskade

Moving fast or standing still
The distance seems so much to fill

I wanna say I'm sorry
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong

I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand

In my mind the image I see
Keep it close, always reminding me

I wanna say, I wanna say
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong

I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand

I wanna say I'm sorry
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong

I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand

I wanna say I'm sorry
